Chapter 1 by Ashley

Green is the color of nature, plants, freshness, safety, money, greed, and environment. It is the color of nature and jealousy.

Chapter 2 by SaintSayaka

I am a forest nymph. My personality is tainted by green. I wear the flora as my robes and watch in anger as men take their pretty wives, their girlfriends, their mistresses, deep into my domain. I have no good reason for my anger - it just *is*. Is it just my nature? I'm not sure.

But I'm going to do something about it.
